September 2020

Dear Sponsors,

Please accept once again greetings from Indian Students Educational Aid Foundation.

As you all know we are all facing a global tragedy of the dreaded Pandemic Covid – 19. The frightening hand of corona virus is extended every part of the world and we are also affected very very badly. We are not allowed to open our Institutes from March 2020 and all our students are at home and we could not complete their classes or practical's. We were supposed to start our classes from July 2020. But till today there is no permission to start or continue their classes. We tried to organise online classes for all the subjects in all our three institutes. But unfortunately many students are not in a position to attend the class as they don't have sufficient facilities at home like internet connection or an android mobile.

The new admissions are very few as the students are scared to come out of their home. All our staff members are working and fortunately they are safe and we observe all the norms and take good care.

To pay the scholarship we are not in a position to call the students to our office and pay them online and credit the amount to their account.

Inspite of Covid-19, some of our well-wishers donated money for upgrading some of our trades. Due to the initiative taken by Mr. Dean Menezes, Hon. Consul Federal Republic of Germany, Goa and our Governing Council Member, Essity India Pvt. Ltd. Mumbai, donated 12 lakh rupees for the upgradation of tools and equipment's of our three Institutes. Besides Rs. 4 lakhs donated for Electrician Practical lab at Holy Cross Indo German Pvt. ITI by CMM Logistic Pvt. Ltd., Panaji. Rupees 1 lakh 52 Thousand was donated by Betts India Pvt. Ltd., Verna for organising online classes for the students of Holy Cross Indo German Pvt. ITI.

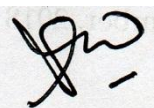

We are grateful to all our sponsors for supporting us all these years and even during these difficult times. I hope that we will be able to overcome from this global tragedy soon.

Some sponsors who could not get the printed book on Rudolf "The Man Who Transformed The Life of Students and Gifted a Bright Future" asked us to send the link of the book. Please find enclosed here with the link of the book <http://bit.ly/2Raogsm>. Those who are interested to watch the interview of Rudolf by the T.V. Channel "Prudent Media" may click on this link https://www.youtube.com/watch?feature=player_embedded&v=9Qn30DrbIJE.

Please find enclosed herewith few successful stories of our scholarship students and some stories of the past students of our vocational Institutes who are working successfully.

With lots of regards

Yours Sincerely

Jacob Mathew

SUCCESSFUL SCHOLARSHIP STUDENTS

ASHWINI PEDNEKAR

I am Ashwini Pednekar. I stay at Siolim, Bardez. We are four members in the family. My father Anand was working as a tailor before but due to less business now he is working as a booking clerk in the transport office. He earns a small amount as a monthly salary. My mother Avidha is a housewife. My elder brother Aniket completed his graduation.

My ambition was to become a chartered accountant but my father didn't have income to spend on my education therefore I approached ISEAF for financial help to continue my education. Fortunately I was selected for this scholarship and my education was sponsored by Mrs. Ingrid Schoof. I completed my post-graduation masters in computer application through Goa University in the year 2019. Now I am working as a Junior Software Developer in Softmonks OPC pvt. Ltd. company at Mapusa, where I have done my internship. I am very happy with my job.

I am very grateful to my sponsor and ISEAF for all the help and support provided to me for achieving my goal.

SHUBHAM/PANDU SURESH GAUNEKAR

My name is Shubham. I live at Kirlapal-Dabal, Sanguem. After passing X th class examination with 66% marks, I joined XI th class science in Shri Ravi Naik Higher Secondary School, Ponda.

Our financial position was very bad. My father died due to an accident. After his death my mother started working as a casual labourer. But what she was earning was not sufficient to support my education, so I applied for ISEAF scholarship. I was selected for this scholarship in the year 2011. My sponsor was Mrs. Dr. Sabine Bentzien. I completed my degree masters in pharmacy from Goa College of Pharmacy in the year 2019. Presently I am working as a research associates for Sanofi Synthelabo Development Centre at Verna.

I am getting a decent salary and now I can look after my family too. I am very grateful to my sponsor for supporting me and for sending regularly gifts and presents on my birthday. I also thank ISEAF team for helping me out.

SHRIKRISHNA NARVEKAR

Shrikrishna lives at Valpoi, Sattari. After passing X th class, he joined the family of ISEAF in the year 2011. He passed XII th class science with very good marks and joined the Goa College of Engineering at Farmagudi, Ponda for degree course Information Technology. He passed the examination with first class in the year 2019 and soon was appointed as a teaching assistant at Goa Institute of Management.

He was born in very poor family. His father died when he was very small. His mother Asmita has been looking after the family. She is a housewife and she is getting a small amount from the government as widow pension. Shrikrishna's education was sponsored by Mr. Engelbert Kramer.

He is very grateful to his sponsor for encouragement and support to achieve his goal in life. Now he is able to look after his family.

SUSHILA TELGIRI

My name is Sushila. I live at Bicholim. My father deserted the family when I was very small. My mother looked after me and my younger sister. My mother started working as domestic help but what she earned was not sufficient for our education. Understanding my family's financial condition our principal gave me ISEAF scholarship form. Fortunately I was selected for this scholarship and my sponsor was Mrs. Christel Mueller who helped me financially not only scholarship but also she provided me with family assistant monthly till I complete my education.

I completed my post-graduation successfully and presently working as a teacher in Dempo College at Panaji. I am getting a decent salary and with this I can look after my family. I am very grateful to my sponsor Mrs. Christel Muller who supported me financially throughout my education.

SUCCESSFUL STUDENTS OF OUR
BHUMIKA TECHNICAL INSTITUTES
- PALYE

JENIO MENDES

Jenio is from Arpora, Bardez. He is 27 years old. When he failed in X th class he was very much disappointed.

But the headmaster of his school told him about Bhumika Technical Institute in Palyem. He enquired about the courses run in this institute. Since he is staying on coastal line he decided to go for hotel management course and he immediately took admission for this course. This was in the year 2011.

He took lot of interest in this course and as the time passed he got more confidence in doing practical work. He passed the examination with good marks. After completing the course he worked as cook in some of the hotels and now he is running his own restaurant "Jenio" at Calangute. He is very grateful to his teachers and the institute for providing regular guidance and all the facilities.

VITHAL RADHAKRISHNA KERKAR

My name is Vithal. I live at Korgao, Pernem. I passed X th class examination. The financial condition at home was very bad and I could not continue my education in college. I felt I must do some job oriented course which will help me to get a job. My headmaster told me about Bhumika technical Institute in Palye which runs such courses. I took admission for the turner trade in the year 2000-2001.

My teacher guided me well in the practical work regularly. I learnt both turning and fabrication very fast. I completed the course and started working in some workshops. Later I put my own workshop in our village and started taking orders from the customers. I am very grateful to my teacher and the institute which helped me to mould my future.

DATTAPRASAD SAKHARAM KEDAR

Dattaprasad lives at Ajsaon Bhomwadi Tal Sawantwadi District Sindudurg. He is 21 years old and works as a electrician maintenance at Saligao. He is very happy with the job and the salary he earns.

He passed X th class but could not continue his further education due to bad financial condition at home. His teacher advised him to join some vocational courses and suggested the name of Bhumika Technical Institute in Palye. He took admission for the electrician trade. This was in the year 2016. He passed the course with good marks. He thanked his teachers for helping and guiding in practical work which made him very successful.

RAHUL CHANDRAKANT KAMBLE

Rahul stays at Sangolda, Bardez. He is 25 years old. He passed his XII th class board examination. Due to his family's financial situation he cannot continue his higher studies, but he preferred to do some Technical course and start earning for his family.

After passing his XII th class he took admission in Keerti Vidyalaya Private ITI in Siolim and took Automobile trade. He was very much sure that he will get a job after completing this course. During that one year he took great interest in learning Automobile course. He answered the exam conducted by Human Resource Development Foundation, Govt. of Goa and passed with good marks. He did 6 months training in some garage and now he got a job in Durga Motors, Porvorim as their mechanic. He is feeling very happy about his decision of doing this course and he thanked his teacher for his efforts. Now he can look after his family.

**SUCCESSFUL STUDENTS OF OUR HOLY
CROSS INDO GERMAN TECHNO CENTRE**

- MARNA, SIOLIM

SAHIL RAJENDRA NAIK

I am Sahil, I live in Revora Bardez Goa. After completing my 10th class, my friend suggested me to do course, as I wanted to do a job as early as possible. So I joined Holy Cross Indo German Techno Centre in the year 2018 for plumbing trade. After studying hard I passed my examination with good marks. Soon I got a job in “Real Estate Builder” as an “Assistant Plumber”. I am thankful to my teachers, principal and the institute as a whole for supporting me and helping me in my studies. I want to give a message to fresher’s that, “WITHOUT PAIN NO GAIN”. During our course we are given lot of practical’s, sports activities as well as extra-curricular activities.

GAJANAN D. WADER

My name is Gajanan. I live in Assagao, Bardez Goa. After completing my 10th class I took admission for Plumbing trade in 2018 at Holy Cross Indo German Techno Centre, Siolim. I passed with good marks and joined in “Godrej Company” in Karaswada, Mapusa Goa. After 9 months I got promotion and was appointed as an ‘Assistant Plumber’. I am very thankful to my teacher who helped me in my studies and for time to time guidance given by the principal and the manager.

MOHAN MADAR

My name is Mohan Madar and I live at Xelpem, Dhuler, Bardez, Goa. I have completed my 10th standard. I want to do my career as a chef, so I took admission in Indo German Techno Centre, Marna-Siolim for food production trade. This course is of one year duration and we got chance to learn different aspects of kitchen and hotel industry. I finished my on job training in kitchen in a reputed hotel in Goa and yet to answer my final exam. But because of COVID 19 situation I took job in Glenmark Pharmaceuticals department.

I am grateful to Indo German Techno Centre for providing all the facilities in the institute. I thank my teachers for helping and guiding me during the academic year.
