Dear Sponsors,

April, 2022

Greetings from Goa, India.

As you were informed about it in the last letter, Mr. Jacob Mathew and Mrs. Stella Jacob have retired on 31st March earlier this year, after putting in many years of great service for our organization and bringing it up to the present level.

The undersigned Mr. Gerard Delaney has replaced him as the (Hon.) President, while Mr. Peter D'souza is now the (Hon.) Secretary of the Organization.

Two very warm and emotional farewells were accorded to them by the staff of ISEAF, first at Holy Cross Indo German Techno Centre, Marna and then at Keerti Vidyalaya Technical Institute, Rai, Siolim. Details of the functions as well as photographs & videos can be read and seen on the new website of ISEAF which has been improved upon considerably.

The site can be viewed at <https://iseaf.org/gallery/>.

We are happy to inform you that the worst of the Covid scare is over and classes are functioning normally now. We were fortunate to have a good number of students admitted to all our courses which are functioning well.

Please find enclosed herewith few stories of scholarship students who completed their course and presently working. Please find enclosed also some reports of a few ex-students of our technical institutes who have got placements immediately.

Best regards from India.

Yours Sincerely,

A handwritten signature in black ink that reads "G. Delaney". The signature is written in a cursive style and is underlined with a single horizontal line.

SUCCESSFUL SCHOLARSHIP STUDENTS

ANTHIEA D'SOUZA

I am Anthiea D'souza and I live at Socorro, Bardez. My father Cresencio stays separately from the family. Annie my mother is a house wife. My younger sister Carol is a student of graduation. We stay with our grandparents. My school headmaster knowing my financial situation gave me the ISEAF scholarship form. I applied for it and got selected. This was in the year 2015. I passed my XII th class with very good marks and took admission for graduation in St. Xavier's College at Mapusa. My education was sponsored by Mrs. Viviane Moessmer. She sponsored not only my education but also provided me monthly financial assistance. I am very grateful to her for all the help and support provided to me.

I completed my graduation and presently I am working for a private company "Golden Ponch Pvt. Ltd." at Panaji as Office Assistant and gaining vital experience in the field. I am very happy with my job. I am very grateful to my sponsor and ISEAF for supporting me and sponsoring my education.

JAIRAM SHETYE

My name is Jairam. I live at Korgao, Pernem. My father Sabaji works as a laborer in a factory and my mother Kalpana is a housewife. We are three members in our family. The only source of income is what my father gets from his daily wages. Our financial situation was very bad. Besides, I was a student and I was in need of money to pursue my education. I came to know about Indian Students Educational Aid foundation which was helping poor students like me. I applied for a scholarship and I was selected. This was in the year 2013. I completed my education Masters of Science in Pharmaceutical Chemistry with scholarship provided by Indian Students Educational Aid Foundation.

My sponsor was Mrs. Cilly Spremberg who supported me till I completed by education. Presently I am working as a Trainee at "Glenmark Pharmaceuticals Ltd", at Colvale. I feel satisfied with the work I got and want to gain as much knowledge as possible. I am very grateful to my sponsor and ISEAF

for all the help and encouragements provided to me.

JANAKI VAZARKAR

I am Janaki Vazarkar 30 years old and I live in Siolim, Bardez. My father Gajanan works as a casual laborer and my mother is a house wife. I have one elder sister Sunita who is a Teacher by profession and younger brother who is doing his career in photography.

I completed my graduation with the help of scholarship from ISEAF. My father was not able to spend money on our education as he was getting a very less salary and had to look after a family of five members. I am very grateful to ISEAF organization, especially my sponsor Mr. Ernest Voepel, because of whom I could complete my education and today I am standing on my own feet. I became successful in achieving my dream.

Presently I am working as an English Teacher in Shri Ganesh Vidya Mandir School in Mapusa. Today I can proudly say that I am a successful person and I can look after my parents and their needs. I thank ISEAF & my sponsor Mr. Ernest Voepel.

POORNIMA KOLE

Poornima lives at Morjim, Pernem. Her father Santosh is working as a mason but his work is not regular. Her mother Suvarna is a housewife. She is having one younger brother and one elder sister and two younger sisters and all are the students. Poornima got very good marks in class Xth, and wanted to become an engineer. But her father couldn't afford to meet her educational expenditure. Therefore she approached Indian Students Educational Aid Foundation for financial assistance to continue her education.

Poornima was selected for Indian students Educational Aid Foundation scholarship in the year 2011. Mrs. Uta Brandt was her sponsor. She completed her engineering degree course in Information Technology in the year 2017. Soon after she was appointed as a software engineer in 'Persistent Systems Ltd.' at Verna, Goa.

Poornima is very grateful to Indian Students Educational Aid foundation and her sponsor for helping and supporting her financially.

**SUCCESSFUL STUDENTS OF
OUR BHUMIKA TECHNICAL
INSTITUTES - PALYE**

VISHAL KORGAONKAR

Vishal lives at Korgaonkarwadi, Kinale, Sindhudurg, Maharashtra. After passing X th class he did not want to go to higher secondary as he

was not interested in academic studies. He joined Bhumika Technical Institute, run by ISEAF. His friends from the village told about the institute and he opted for Electrician trade. In few months he learned the job and showed good interest. He passed the examination in first grade and is presently working for "Villa Goesa Resort" at Calangute as their electrician maintenance. He is very happy with the job and earns a good salary. He is thankful to his teacher for giving him extra coaching and training which made him very successful.

HARSHADA SHARAD RAWOOL

My name is Harshada Rawool and I am from Palye in Pernem Taluka. I was not so good in my regular studies. But when I

failed in X th class board examination, I did not give up my hopes. My School headmaster guided me to do some vocational course and told about the courses run in Bhumika Technical Institute. I took admission for Tailoring course in this Institute. This course is very interesting and I enjoyed learning it. I passed the examination conducted by HRDF Society, Govt. of Goa and right now I am working as Tailor at Agarwada, Pernem. I thank my teacher Mrs. Priyanka Kaloji for building confidence in me and encouraging me throughout the year.

VISHAL KISHOR NANOSKAR

Vishal lives at Sawantwadi, Sindhudurg, Maharashtra. He failed in IX th class and decided to do some technical

course. Some of his friends suggested him the name of Bhumika Technical Institute at Palye, Pernem which is close to Maharashtra border. He immediately took admission for Automobile trade in the year 2020-21. He completed this course of one year duration and passed by obtaining a good percentage in the examination conducted by Human Resource Development Foundation Society, Govt. of Goa. Soon after getting passing certificate, he started working as Mechanic for Morye Garage at Aronda.

Now he feels that he took the right decision of doing this course. He is very happy now as he is earning a good salary and confident of his work. He thanked his teacher for supporting him and guiding him throughout the year. He is also grateful to the institute.
